

RESERVE™

Premium 100% Acrylic Latex Paint & Primer-in-One

Hirshfield's Paint Manufacturing

Reserve™ premium interior enamel is skillfully blended with only the finest of materials.

- Self Priming on most surfaces*
- Low VOCs • Surprisingly low odor
- Dirt and stains wash off easily
- Superior burnish-resistance
- Retains its appearance longer than other paints
- Easier application • Excellent hide & coverage
- Available in Matte and Eggshell finishes
- GreenWise® certified – www.greenwisepaint.com

*No primer needed when painting over new or previously painted drywall. When painting over new drywall two coats are required, with the first coat acting as the primer. Refer to can directions or data sheet for more detailed information.

This product is certified by Coatings Research Group, Incorporated to meet environmentally determined performance standards established by CRGI's ISO-accredited facility for specific product types and to meet or exceed the VOC requirements of LEED® for most paint and coating applications. This product is environmentally preferred over traditional paints and coatings. To view product standards visit:

Reserve™ is ideal for family rooms, living rooms, dining rooms, bedrooms, kids' rooms, hallways, kitchens, bathrooms, commercial office spaces, retail facilities, meeting rooms and more.

Hirshfield's Reserve™ premium interior 100% acrylic latex paint and primer in one is a best-in-class coating for use in residential and commercial spaces alike. Reserve™ provides an easy-to-clean and scuff-resistant surface with superior durability that is supported by a lifetime warranty.
