

# Wash & Wear

Premium Interior Flat Acrylic Latex Enamel

Hirshfield's Paint Manufacturing

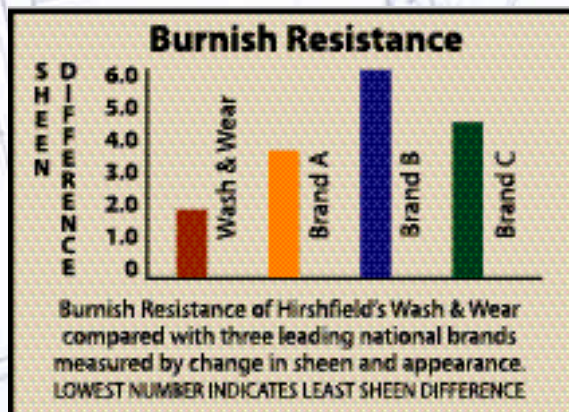

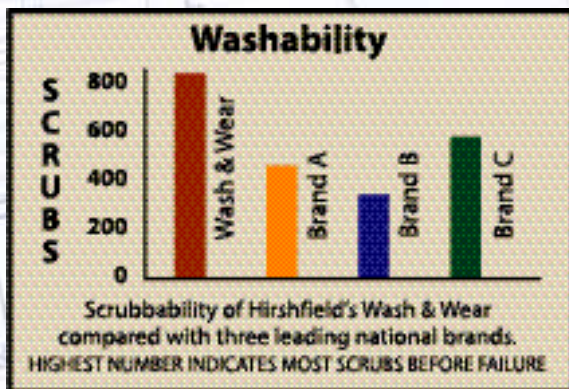

For over twenty years, *Wash & Wear* has been Hirshfield's top-of-the-line conventional interior flat latex. *Wash & Wear* incorporates the latest technologies available providing better cut-in and improved touch up properties—even in today's popular mid-tone colors. *Wash & Wear* has earned a reputation as the finest quality paint for homes that require the elegant look of a premium flat enamel.

## Hirshfield's *Wash & Wear* Premium Interior Flat Latex

- Provides your customers "BEST IN CLASS" durability and lasting beauty
- High-end look with superb cleansibility
- Superior touch up and cut-in properties
- Better scrubbability and burnish-resistance when compared to the national brands in similar category

(See charts at left. Additional test data available.)
