

CONTRACTOR SELECT

PREMIER Professional Coatings

Hirshfield's Paint Manufacturing

*Available in Flat,
Low Gloss Eggshell,
and Eggshell Finishes*

- Hybrid formulation – higher film build when spraying vs. conventional wall paints
- Outstanding touch-up
- Great hide and coverage
- Easy application with spatter-free formula – no drips or spatter
- High quality acrylic formulation – low odor
- Ideal for use in new and existing commercial, residential and institutional projects

Hirshfield's Contractor Select Premier Professional Coatings are premium, low-odor acrylic latex enamels that are designed for use on interior surfaces where a pleasing appearance is desired – and a washable, cleanable finish is required. Its outstanding touch-up makes these coatings ideal for use in high-traffic areas and commercial spaces alike. Contractor Select Premier has good flow and leveling, and is available in flat, low gloss eggshell and eggshell finishes. The unique low gloss eggshell dries to a 6° soft gloss finish.
